

XML-Productfeed documentation – version 1.0

Last Revision: 06 July 2010 13:47.

XML-Productfeed tag description:

XML-Field Code	Explanation	Content type	Max. length	Optional/ Mandatory
Products.version	Version number for XML-productfeed, currently "1.0"	Decimal	2.1	M
Products.issuedate	Date the file is created	Date (CCYYMMDD)	8	M
Product.id	Alpha product identification	String	10	M
Content	Language specific productcontent			
Content.lang	Languagecode for the content (nl, uk, de, fr)	String	2	M
Description	Productdescription	String	128	M
Brand.id	Brandcode	String	3	M
Brand	Brandname	String	30	M
UNSPSC.id	UNSPSC-code for the product	String	8	M
UNSPSC	UNSPSC description	String	80	M
Specifications	Overview of all productspecifications			O
Specification.id	Specification identification code. All type of specifications are coded	String	6	M
Description	Specification description	String	80	M
Value	Specification value	String	Unlimited	M
Identifiers	Different types of product identifiers			M
OEM	OEM code for the product	String	25	M
CustomerID	Customer ID for the product	String	25	O
EANProduct	EAN code for the product	String	20	O
EANMasterCarton	Ean code for the master carton of the product	String	20	O
OnetrailPDI	Onetrail ID for the product	String	20	O
Purchase	Purchase related information			M
Stock	Current stock	Integer	6	O
Price	Customer specific price	Double	6.2	O
Levy	Levy	Double	6.2	O
MOQ	Minimum Order Quantity	Integer	6	O
Status	N = New <Empty> = Regular O = Obsolete	String	1	M
ReplacedBy	Product ID that replaces this product	String	10	O
Images	Product related images			M
Product	URL for product image	String	Unlimited	O
Brand	URL for brand image	String	Unlimited	O
Logistics	Logistics related information			M

ProductsPerOuterCarton	Number of products in outer carton	Integer	6	0
ProductsPerLayer	Number of products per palletlayer			0
ProductsPerPallet	Number of products per pallet			0
Weights				
Weights.unit	Unit of the weights (Gr, Lbs)	String	3	M
ProductWeight	Product weight	Integer	6	0
OuterCartonWeight	Outer carton weight	Integer	6	0
Measures				
Measures.unit	Unit of measurements (Cm, inches)	String	6	M
ProductLength	Product length	Integer	6	0
ProductWidth	Product width	Integer	6	0
ProductHeight	Product height	Integer	6	0
OuterCartonLength	Outer carton length	Integer	6	0
OuterCartonWidth	Outer carton width	Integer	6	0
OuterCartonHeight	Outer carton height	Integer	6	0
Compatibility	Overview of supplies that are available for this product			
Product	Product ID	String	10	0
